### The President Speaks FROM THE LIONS' DEN

*Hello Fellow Lions,*

Well, here it is already three months into the Lion's year and what a great year it is turning out to be.

First of all the Labour Day weekend Tag Day turned out great thanks to all who participated and made it a success. Thank you to all who volunteered.

Tag Day was followed by our first Dinner meeting at Tailgaters. The food was very good. Lion Dave did a fantastic job with the taitwisting.

The first Council meeting for the Governor was held the following week in Newmarket and the first Cabinet Meeting was held at the end of the month in Pembroke/Petawawa. Our Club was well represented.

Lions Gus Jim and Margaret headed off to the US/Canada Forum in Memphis where they renewed old friendships and made new ones.

Lions Ross and Sandra attended a pin swap in Woodstock, Ontario and came back with lots of pins and made new friends.

Overall September was a great month and I look forward to the rest of the year.

It is now into Fall with all the majestic colours and thoughts of Christmas just around the corner.

The Lion's year started off great with a fundraiser for Muscular Dystrophy and

just kept getting better. We were involved with numerous events and it is just the beginning.

The Santa Parade was a huge success and was the biggest one we held so far. Thank you to Lion Margaret as chair and her little elves. They did a fantastic job.

I want to also thank all who helped with the Christmas cakes. The fundraiser is now in full swing. Contact Lion Marcel if you need any and he will bring them to a meeting.

The IKEA trees are back. We still need Lions to help and do some shifts. If everyone can do just one or two shifts it will take a little effort and it is a great fundraiser.

Please join me in wishing Lions Made-line and Dave all the best in their upcoming surgery

Together we can make a difference in someone's life.

Also I would like to thank those Lions that have attended Charter Nights at other clubs. Our Charter Night is Saturday, March 20, 2010. It is also the first day of Spring. If you can help with any of the preparations, please contact Lion Dave Voisey.

Thank you all.

Yours in Lionism,  
**Nancy Campbell**  
President

### About Lions

#### Ready to Help, Worldwide

Whenever a Lions club gets together, problems get smaller. And communities get better. That's because we help where help is needed – in our own communities and around the world – with unmatched integrity and energy.

Our 45,000 clubs and more than 1.3 million members make us the world's largest service club organization.

We're also one of the most effective. We get the job done. We recently:

Brought 3,000 volunteers together to build [a playground for children of all abilities](#) in California, USA.

Fed 60,000 people in a township in South Africa. It's something Lions do there every day.

Sent a team of eye surgeons to Honduras to treat more than 100 adults and children.

Everywhere we work, we make friends. With children who need schoolbooks, with seniors who need transportation and with people we may never meet.

We're led by talented, dedicated [volunteer leaders](#) from around the world. And, we're supported by the [Lions Clubs International Foundation \(LCIF\)](#), which helps to fund Lions humanitarian projects.
