The President Speaks FROM THE LIONS' DEN

Hello Fellow Lions,

As we reflect on our successes, we must also acknowledge our continuing challenges. This Club needs new members.

October is *Membership Growth Month* and we each must make the commitment to invite someone to join this great LIONS family.

Our Membership Committee conducted a *Bring A Friend* evening last month. To those of you who brought someone, it is now follow up time. Lion BJ and her Committee will need your assistance in getting your guest to attend our meetings. If your friend is unable to get to our meetings and you can provide them with a ride, please

do so. With the arrival of new families in Barrhaven, our Club has the opportunity to increase our membership. The Barrhaven that was when you joined the Club is much different today. Therefore, we should identify new programs to meet the general and specific needs of this rapidly changing community.

I will be promoting a sharing of useful ideas in the coming year and I look forward to your participation in the future. Remember, WE SERVE.

Yours in Lionism,

Margaret Tucker
President

A Short Story

A blind boy sat on the steps of a building with a hat by his feet. He held up a sign that said: "I am blind, please help." There were only a few coins in the hat.

A man was walking by. He took a few coins from his pocket and dropped them into the hat. He then took the sign, turned it around, and wrote some words. He put the sign back so that everyone who walked by would see the new words.

Soon the hat began to fill up.. A lot more people were giving money to the blind boy. That afternoon the man who had changed the sign came to see how things were. The boy recognized his footsteps and asked, "Were you the one who changed my sign this morning? What did you write?"

The man said, "I only wrote the truth. I said what you said but in a different way." I wrote: "Today is a beautiful day but I cannot see it."

Both signs told people that the boy was blind. But the first sign simply said the boy was blind. The second sign told people that they were so lucky that they were not blind. Should we be surprised that the second sign was more effective?

Moral of the Story: Be thankful for what you have. Be creative. Be innovative. Think differently and positively.

When life gives you 100 reasons to cry, show life that you have 1000 reasons to smile. Face your past without regret. Handle your present with confidence. Prepare for the future without fear. Keep the faith and drop the fear.

The most beautiful thing is to see a person smiling.

Even more beautiful, is knowing that you are the reason behind it!!!
