The President Speaks FROM THE LIONS' DEN

Hello Fellow Lions,

In the month of February, it is natural for most of us to think of love. Love for family, children, friends, strangers. Strangers? Yes, we feel love for strangers when they suffer a tragedy, or have a serious illness. Nevertheless, there are other happenings in the month of February, such as Valentine Day, Black History Month, National Wear Red day, Toothache Day, Groundhog Day, and Family Day. Who knows how some of these days received their names? Whichever way you choose to observe the day or the month, you can do it with love. Love is how we feel when We Serve.

Last month a few of us met to sort and box several eyeglasses. These eyeglasses will be washed, cleaned, measured, and distributed to those in need with our love.

Throughout this Lions year, we have continued our International President's challenge to be the Beacons of Hope in our community. We have approached each project with love and come up smiling happily at another job well done.

Another evidence of our love and being Beacons of Hope is our Mother and Daughter Gala. For the past six years under the able leadership of Lion Doreen, the Mother and Daughter Galas have raised over \$53,000 towards the Cancer Care

Unit of the Queensway Carleton Hospital. This month the Patient Counseling Room in the new Irving Greenberg Family Cancer Centre at the hospital, will be dedicated and named in recognition of the Barrhaven Lions Club, Mother and Daughter Gala. Thank you to the men and women in our Club who have worked front of house and recorded the Silent Auction bids at the Gala over the years.

On behalf of the Club, I extend a special thank you to the mothers, daughters, sisters, granddaughters, and friends who have attended the Galas and given their support to this cause. We share this dedication with you. Lots of Love!

Elections Preparation - Last month I selected Lion George Kennedy to chair the Nominating Committee.

He will be choosing the other members of his committee. Should you wish to be considered for a position on the new Board, do let Lion George know. This is your opportunity to share your ideas and skills by taking on a leadership role for the future of our Club.

WE SERVE.

Yours in Lionism,

Margaret Tucker
President
